

HAWK GROWABLE

CHILD'S ADJUSTABLE FIXED FRAME WHEELCHAIR

The Melrose Hawk Grow-able sits alongside its big brother as our main lightweight adjustable position wheelchair. Being able to grow in width and length allows for a longer period before having to move to a larger ride.

Adjustable position provides the ability to fine tune the seating

and balance point so the child can get a more dynamic ride as their confidence increases.

The chair is custom fabricated with aircraft grade aluminium and robust high quality components, that should out last even the most active child.
